

From Junction 24 of the M62

Take the A629 signposted Halifax and after passing two speed cameras take the first exit off the dual carriageway. At the roundabout take the first exit signposted "Elland (B6114)" then go straight on at the traffic lights and straight ahead at the next roundabout. The road bends round to the right to another roundabout where you take the first exit signposted "Huddersfield M62." Go past Aldi and Marshalls on the right hand side and ignore the first entrance to the Rosemount Estate, signposted in green. As the road opens up there is a traffic island and immediately after a right hand filter lane. Enter the filter lane and turn right between the stone building with a clock tower and the red brick building passing under an arch that says "Rosemount Estate." When you pass the two buildings turn immediately left into the car park and the LRH parking spaces are half way up on the right hand side. The entrance for the building is located to the right of Meadow Dale Group Practice entrance.
